Subject: Vaccine bill

Dear Representative Joseph Graves

As a Michigan parent, please be advised that the MDHHS should not have the right to create our state regulations without the proper Public notice and hearing process . Nor do they have the right to mandate any Immunizations to be required by law for my children or myself.

It is my right as a parent to maintain vaccine choice in Michigan and no child should be excluded from school due to that right.

Lastly, It my right as a parent to seek a vaccine exemption for my children attending Michigan public schools due to our choices on Vaccinations.

Please support my rights.

Sincerely,
Doug Scheer
registered Michigan Voter .
